

PUBLIC INFORMATION COMMITTEE

School Outreach Program

The mission of the Public Information School Outreach Program is to carry the message of AA hope and recovery to the schools of Northern Delaware.

With the generous financial support of AA groups and individual donations, we are placing literature racks with age-appropriate AA pamphlets in 19 High Schools and 22 Middle Schools.

We have established contacts with the Wellness coordinators in each of these schools to offer AA support or literature if any student calls for help. We want the hand of AA to be there for the schools and the young people of Northern Delaware.

HOW CAN YOU HELP?

PLEASE CONSIDER ASKING YOUR GROUP IF THEY WOULD BE WILLING TO MAKE A \$10 CONTRIBUTION TO THE SCHOOL OUTREACH PROGRAM TO COVER THE COSTS OF THE RACKS of AA LITERATURE.

We are Self-Supporting Through Own Contributions. Contributions can be made by calling Jaime at the Intergroup Office:

THANK YOU !
