**\*\*In addition, each AA group may contribute to their district according to location. By Group Conscience, groups can adjust the splits accordingly. Please call your District Committee member for mailing information. The 7<sup>th</sup> Tradition States: "Every AA group ought to be fully self-supporting, declining outside contributions."**

**While contributions cover each group's rent and other expenses, the 7<sup>th</sup> tradition is essential at every level of AA service. It is both a privilege and a responsibility for groups and members to ensure that not only their group, but also their Intergroup/central office, local services, district, area, and the General Service Office remain self-supporting. This keeps AA free of outside influences that might divert us from our primary purpose-to help the alcoholic who still suffers.**

**The amount of our contribution is secondary to the spiritual connection that unites all groups around the world.**
