

It is with great sadness to inform everyone of the passing of Carolyn W.

Carolyn passed away suddenly on Sunday, May 21st, 2023.

She has been a member of our fellowship for over 40 years. She was an active and trusted servant for Alcoholics Anonymous and helped innumerable people along her journey of sobriety.

Carolyn has been an office Coordinator for Northern Delaware Intergroup since August of 2021. She devoted her life to the fellowship she loved so dearly.

Carolyn will be missed by many, and we are grateful to have had her on the "Road to Happy Destiny" with us all.

Her family will have a celebration of life on Saturday July 15, 2023. All are welcome!
