In addition, each: AA group may contribute to their district according to location. By Group Conscience, groups can adjust the splits accordingly. Please call your District Committee member for mailing information. The 7th Tradition states: "Every AA group ought to be fully self-supporting declining outside contributions."

While contributions cover each group's rent and other expenses, the 7th Tradition is essential at every level of AA service. It is both a privilege and a responsibility for groups and members to ensure that not only their group, but also their Intergroup/Central Office, local services, district area, and the General Service Office remain self-supporting. This keeps AA free of outside influences that might divert us from our primary purpose to help the alcoholic who still suffers. The amount of our contribution is secondary to the spiritual connectional that united all groups around the world.
